

ShipTek Hong Kong Summit 2018 - Ship Owning & Ship Management Conference & Awards concluded successfully

30.08.2018, Hong Kong: Organised by Biz Events Management, ShipTek Hong Kong Summit - Ship Owning & Ship Management Conference & Awards, concluded successfully at Renaissance Harbour View Hotel, Wanchai, Hong Kong on 30th August 2018.

Launched in the year 2008, ShipTek has continued to mark its legacy as a benchmark event in the maritime industry. A perfect amalgamation of innovative ideas and infotainment, the Hong Kong edition of this event presented a much bigger experience laced with insightful discussions and leader foresights than its predecessors. Offering a right platform to network, strike deals and take business to next level, the event created revolution in the city of Hong Kong

Besides the much-appreciated conference, the event also witnessed a dazzling award ceremony where industry veterans who have been instrumental in proposing creative solutions were honored for their accomplishments.

The prestigious ShipTek Maritime Awards for creative contributions of outstanding significance to the maritime industry in the field of maritime Services were bestowed among various organizations and individual.

Best Maritime Organization award was presented to **Hong Kong Ship owners Association**; Best Employer of the Year was presented to **Bernhard Schulte Shipmanagement (BSM)**; **Pacific Basin** was presented with Ship Owner of the Year award; Best Ship Agency award was presented to **Gulf Agency Company(GAC)**; Best Classification Society award was presented to **ABS**; **China LNG Shipping** was declared RISING STAR - Organization; **Hong Kong Maritime Museum** was declared Best Regional Maritime Heritage Organization; **Maritime Services Training Institute (MSTI)** was declared Best Regional Maritime Training Institute; **Ince and Co.** was presented with Best Maritime Law Firm award; **Mr. JAY K PILLAI**, Director, Fleet, Pacific Basic was declared with the Prestigious “Maritime Personality of the Year”.

With a record participation, ShipTek Hong Kong Summit 2018 turned out to be one of the most successful editions than its forerunners. **Registration Area Sponsor** was sponsored by Clean Marine; **Badge and lanyard Sponsor** was sponsored by Evoqua Water Technologies, **Event supporting organizations** include Hong Kong Shipowners Association, Cargo Connections, Freightbook, Project Cargo Network, UFO, OPCA Network of Project Agents and and **Media Partners include** Maritime Matrix, World Oils, World Freight Network, Specialist Freight Network, World of Chemicals, Petrofinder, Maritime Sky and Middle East Business
